

## AMBER COVE PORT PICKUP INSTRUCTIONS:

**DON'T WORRY ABOUT SHIP TIME OR LOCAL TIME.** We don't turn our clocks ahead or back and we are very aware of your ship's docking and departure times. Please follow the instructions below.

**VERY IMPORTANT!!!!** IT DOESN'T MATTER IF YOUR SHIP DOCKS EARLIER THAN SCHEDULED ... WE LEAVE PORT 45 MINUTES AFTER YOUR GANG PLANK GOES DOWN AND YOU ARE ALLOWED TO DISEMBARK. PLEASE GET OFF THE SHIP AND MAKE YOUR WAY TO THE MEETING POINT AS SOON AS POSSIBLE.

**PICK UP INFORMATION:** Pick up is from outside the main gate right next to the highway. Please see the attached map (as an independent tour operator Carnival will not allow us to offer you a convenient pickup inside the terminal).

To get to the pickup point come off the ship, exit through the Duty-Free Store and head left towards the parking lot/street where you'll see all of the tour buses lined up. Continue walking ***past all of the tour buses and taxis in the parking lot.*** Head to the sidewalk on the right of a little security hut toward the white metal gate to the highway (it will take around 12 minutes from the ship). Once outside the main take the sidewalk on the left hand side of the road and walk around the corner. Keep walking a short distance and you will see our guide holding up an Iguana Mama sign. **THE BUS LEAVES 45 MINUTES AFTER YOUR GANG PLANK GOES DOWN.**
